Debtor.

Case No. 24-50132-hlb  
Chapter 7

**SUPPLEMENT TO  
VERIFIED STATEMENT**

This supplement is submitted to identify a new connection that Mr. Atkinson has to a person employed in the office of the United States Trustee:

- I now have a social connection with the daughter of Mr. Carlos Hernandez-Vivoni, who happens to be an employee of the Office of the United States Trustee. As such, I have recently begun to briefly encounter Mr. Hernandez-Vivoni outside of work, on a social basis only.

The above connection does not cause the Firm to hold any interest materially adverse to the interest of the estate.
